

Restoring California's Forest Health:

Time for a new approach!

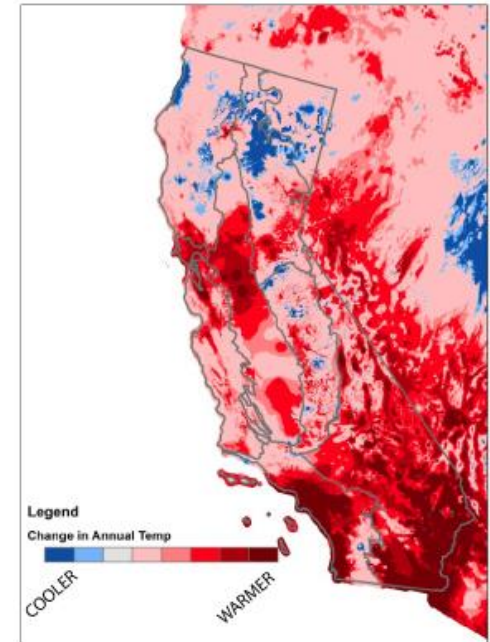

PACIFIC FOREST TRUST

Private Forests. Public Treasures.

Confluence of factors

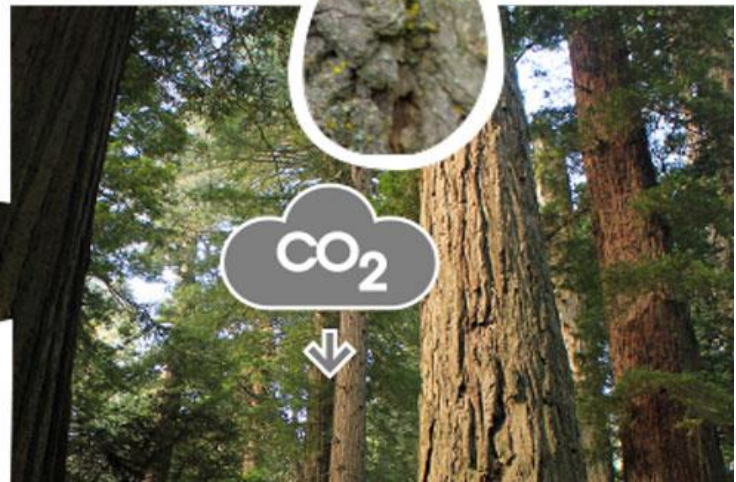

- * Young, simplified forests
- * Fragmentation
 - Development
 - Fire suppression
 - Climate change

PACIFIC FOREST TRUST

Private Forests. Public Treasures.

Multiple forest benefits:

PACIFIC FOREST TRUST

How do we restore healthy function?

PACIFIC FOREST TRUST

Private Forests. Public Treasures.

Change our management approach: more than one tool!

PACIFIC FOREST TRUST

Private Forests. Public Treasures.

Recommendations

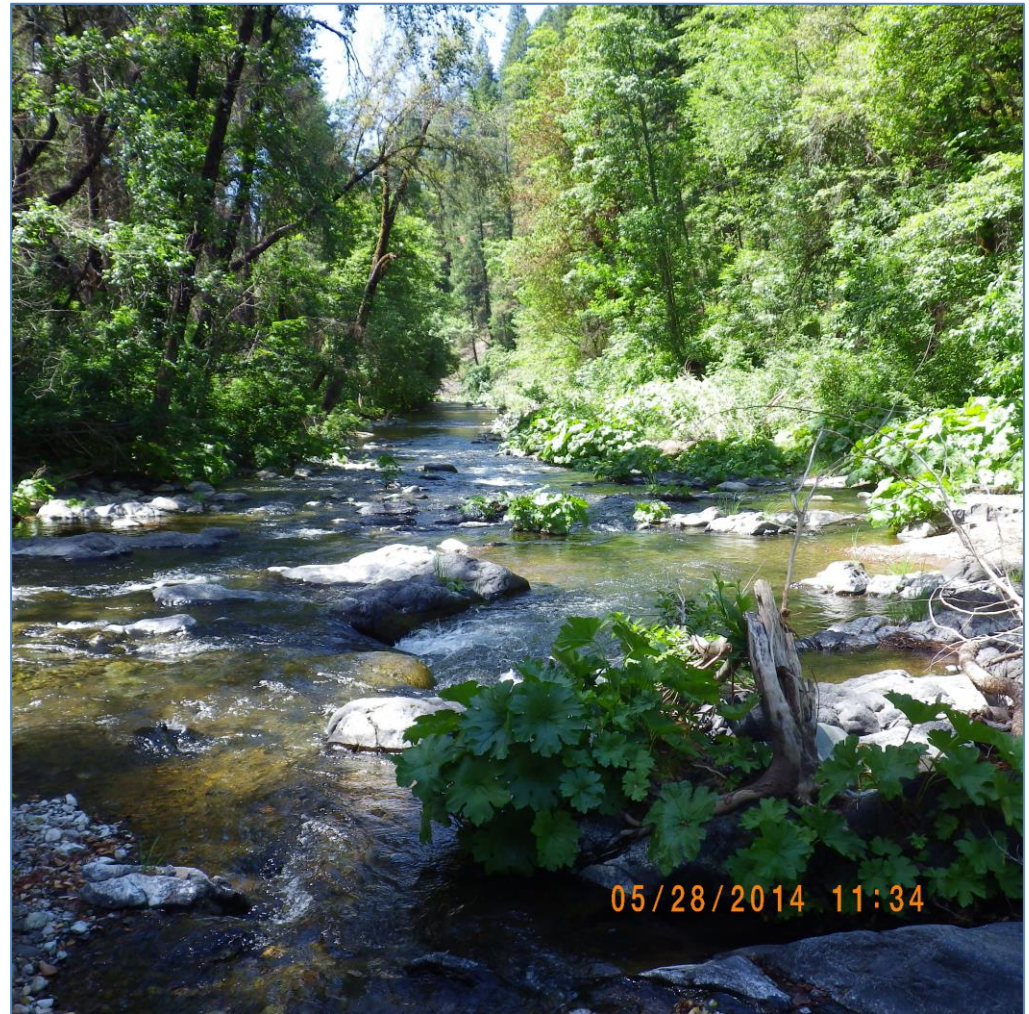

- Holistic integrated investments
- Restore natural forest features & functions
- Match solutions to ownership types
- More than crisis reaction: work, time & money

Promote Resiliency

Spring 2013

Squaw Creek May 2014

Thank You!
